### **Cut Dead But Still Alive | Cokesbury**

A first book is not always notable, but in this case it is. "Cut Dead But Still Alive" focuses on the challenges and opportunities of working with young African American men who, lacking proper guidance, are highly susceptible to ending up in the juvenile justice system, in and out of prison, or dead. The book addresses the challenges faced by caregivers and chronicles the progress that is made as these marginalized young men are emboldened by hope.

### **Cut Dead But Still Alive: Caring for African American Young Men - Rev. Dr. Gregory Ellison, II**

Gregory Ellison is author of "Cut Dead But Still Alive: Caring for African American Young Men." Despite their hopes and aspirations for the future, too many African American young men are still being rendered mute and invisible by society, says Emory University's Gregory Ellison. His new book, "Cut Dead But Still Alive: Caring for African American Young Men," (Abingdon Press, 2013) is a call for action and a blueprint for response.
