This compelling study examines the role of the mistress throughout history, from Chinese concubines to European royal favourites, in life and literature. It examines the reasons why women become mistresses, the subversive threat they pose to the established order, and the eternal fascination they exert.

A History of Mistresses: Abbott, Elizabeth: 9780715639467 ...

The book is the history of mistresses, mostly in Western society, told through brief biographies. Each chapter focuses on a theme--mob molls, mistresses of popes and priests, royal mistresses, etc., concluding with a chapter on mistresses in literature and a chapter on the affect of the 60s on the idea of the mistress. Sad and fun at the same time.
