The Peace In Between Post

1st Edition Published on July 3, 2012 by Routledge This volume examines the causes and purposes of 'post-conflict' violence. The end of a war is generally expected to be followed by an end to collective violence, as the term 'post-conflict' that came into general usage in the 1990s signifies. In reality, however, various forms of deadly violence continue, and sometimes even increase after the big guns have been silenced and a peace agreement signed.
